Practice Test: Computer Science (5652)	To access your interactive practice test, go to practice.ets.org and enter your serial number. Your subscription is valid for 90 days after the first use, or 10 uses, whichever comes first. Note: There is only one version available for this test title, so each time you take the test, you answer the same questions in the same order. Retaking or repurchasing the same practice test more than once does not give you different practice questions or change the order in which the questions are delivered.
